■ CASE STUDY — RS OLÍMPICO / GIGANTES DO VÔLEI

As Sports Director at RS Olímpico, Gustavo transformed a traditional club into a multi-revenue academy model, connecting elite performance with community and family experiences.

Sold-out arena events connecting community and elite volleyball

School-clinic pipeline feeding competitive squads

Sponsorship and media packages built around family experiences

2.5+ tons of food collected and distributed across Caxias do Sul through the event

■ LEADERSHIP PHILOSOPHY

DISCIPLINE

Daily habits, clear standards and accountability create the foundation for winning cultures.

DEVELOPMENT

Structured pathways that turn beginners into recruitable athletes and local clubs into academies.

CULTURE

Team-first environments where families, schools and sponsors become long-term stakeholders.

GLOBAL VISION

International methods adapted to local realities across countries and competitive systems.

LEGACY

Programs designed to outlast any single season or director.
